

## Lammersville Breaks Ground on Measure L Projects

**FOR IMMEDIATE RELEASE: August 30, 2016**

**Mountain House, CA:** Lammersville Unified School District (LUSD) would like to express its sincerest thanks to the Mountain House community for your overwhelming support of Measure L. Thanks to your generosity, LUSD is pleased to announce the ground breaking of the final phase of construction at Mountain House High School. Please join us on Friday, September 2<sup>nd</sup> at 1090 S. Central Pkwy at 1:30 pm for a ground breaking ceremony.

The new facilities, designed by Nichols, Melburg and Rossetto Architects and Engineers will complete the career technical education facilities, library, performing arts center, pool and tennis courts. These additions to the high school will provide enhanced 21<sup>st</sup> century learning opportunities as well as new facilities for the community.

Located in Mountain House, CA the Lammersville Unified School District (LUSD) consists of a pre-school, high school and five elementary schools. The district's strong academic programs, excellent teachers and high-performing students make the Mountain House community a desirable place to live. During recent testing students in the district outperformed all unified districts in San Joaquin County and rose well above statewide averages. To learn more about the LUSD visit, <http://lammersvilleschooldistrict.net/home>.

Now in their 49<sup>th</sup> year, northern California-based Nichols, Melburg & Rossetto Architects (NMR) is a comprehensive architecture, structural engineering and interior design firm with offices in Redding, Chico and Santa Rosa. NMR is one of the region's leading firms for education, healthcare, civic, commercial and custom residential projects. For more information about NMR visit, [www.nmrdesign.com](http://www.nmrdesign.com).
